

How to Get Vaccine Information Statements

1. **The Internet.** All current VISs are available on the internet at two websites:

- The National Immunization Program (www.cdc.gov/nip/publications/vis/default.htm)
- The Immunization Action Coalition (www.immunize.org/vis/index.htm)

VISs from these sites can be downloaded as pdf files and printed. You can also order single hard copies of the VISs using NIP's Online Order Form (at www.cdc.gov/nip/publications).

2. **State Health Department.** CDC sends each state health departments immunization program cameraready copies when a new VIS is published. The immunization program in turn provides copies to providers within the state.

A set of 7 **Videotapes** of VISs (MMR, DTP, Polio, Hepatitis B, Hib, Varicella, and Pneumococcal Conjugate) is available in English and Spanish from Michigan State University Extension. Tapes run approximately 59 minutes each, and a set costs \$25. For information, call (517) 432-8204.

Audio files for most VISs can be downloaded from the National Immunization Program's VIS webpage (www.cdc.gov/nip/publications/vis/default.htm).

Text versions of the VISs can also be accessed from the National Immunization Program's VIS webpage. These files are compatible with screen-reader devices.

VIS Translations are available in more than 30 languages from the Immunization Action Coalition's website at www.immunize.org/vis/index.htm.
